Medico-Legal Practice

We recognise that things do go wrong sometimes, whether by design or inadvertently.

We are absolutely clear that situations like this warrant prompt action to limit any distress to the client.

This is why we provide a specialist medico-legal practice strictly limited to the specialist services we are involved in delivering.

**We therefore offer specialist medico-legal services for the following areas:**
- Infertility and Reproductive Endocrinology
- Endometriosis and Pelvic Pain
- Advanced Laparoscopic Surgery
- Advanced Hysteroscopic Surgery
- Menstrual Dysfunction
- Recurrent miscarriage
